NAYANA ATHAPATHTHU

Quality Assurance Associate | IT & Computer System Validation

PROFILE

Quality Assurance professional with 3+ years of experience in EU-GMP-regulated manufacturing and a strong IT foundation in web development and databases. Experienced in computerized system validation (CSV), controlled documentation, SAP-related QA processes and internal audits. Combines a compliance mindset with hands-on technical skills in debugging, testing and system analysis. Looking to contribute to QA, validation or IT compliance roles where quality and technology meet.

WORK EXPERIENCE

Quality Assurance – Assistant

2023 July – Present

Celogen Lanka (Pvt) Ltd

- Supported computerized system validation (CSV) activities, including system reviews and preparation of validation records.
- Prepared and maintained controlled documents (SOPs, validation protocols and reports) in line with EU-GMP requirements.
- Handled QA responsibilities within SAP, supporting data integrity and process traceability.
- Contributed to the company's EU-GMP certification after audits.
- Monitored manufacturing processes against established protocols, supporting process validation and qualification.

Web & Mobile Developer – Intern

2022 June – 2022 Dec

SoftSolvo Technologies (Pvt) Ltd

- Built responsive websites using HTML5, CSS3, JavaScript, React and PHP.
- Tested, debugged and improved existing applications, and integrated APIs with backend teams.

Web & Mobile Developer – Intern

2021 Sep – 2022 May

Univosoft Solutions (Pvt) Ltd

- Developed dynamic websites using HTML, CSS, JavaScript, React and PHP.
- Resolved cross-browser compatibility issues, building a strong foundation in software testing.

PROJECTS

- **Plant disease detection system**- An image processing plant disease detection system uses computer vision techniques to analyze leaf images for signs of infections like spots, mold, or yellowing, identifying healthy vs. infected leaves.
- **Personal Portfolio Website** – showcasing my web development and content work.
Live: [athapaththu.github.io/portfolio-2k26]
- Dress Hub web project - [<https://dresshub.lk/>]
- APP (Asian Preparedness Partnership) web project – [<https://app.adpc.net/>]

EXTRACURRICULAR & INTERESTS

- University cricket team and University Elle team (2021) – built teamwork, discipline and time management through regular training and competition.
- **Interests:** Graphic design, video editing, content creation.
